

## ORDER FORM

(Sale Prices in effect through December 31, 2008)

**Volume II of the Cancer Registry CASEbook is at the printer, along with the reprint of Volume I.** The cost of printing and, especially, transportation has forced us to raise the price of the books to \$70 each. **However, for the remainder of the year, we will accept orders of both volumes at the old prices.** The books purchased at this special pre-publication price will be shipped when we receive them from the printer. We expect that to be the first week of January.

\* Each Set of Volumes I and II count as 2 books when figuring shipping costs.
